Gregory P. Popham, Principal and Founder of CRED/ Consulting Real Estate Development provides professional consulting services to private entities, local government, 501-3-C corporations, public authorities and individuals. Over his career of 36 years he has had a variety of consulting assignments that included but were not limited to; construction management, due diligence, feasibility studies, underwriting and commercial finance, land planning, project management, marketing, wireless communications, utilities and subdivision development. Typically, Mr. Popham represents the Owner as the Senior Manager and/or Team Leader of the project due to his vast experience and interpersonal/ entrepreneurial skill set. This permits him to coordinate the multi-disciplined professionals for each project.

The subsequent list of projects represent a sampling of the diverse assignments, of which, he has led:

- Renaissance on the River – Macon, GA
- NORTON Industrial Project – Monticello, GA
- City of Grantsville/ COMCAST/ Franchise Agreement – Grantsville, GA
- Wildwood Subdivision – Lumpkin Co, GA
- Showcases To Go, Inc. – Financial Cash Flow Analysis – Clearwater, FL
- Medical Center Feasibility Study – Macon, GA
- Augusta-Richmond County/ Cell Tower RCN to Value REVIEW – Augusta, GA
- Crisp County / Cell Tower RCN Pilot Program
- Mirror Lake Subdivision – Eatonton, NC
- Tift County / Cell Tower RCN Pilot Program
